Legal basis: Article 56 section 1 item 2 of Act on Public Offering - current and periodic information

Content of report:

In the current report No 37/2011 dated 26 July 2011 concerning information on the acquisition of the Issuer's shares by a person having access to confidential information - the Company's procura holder - in the last sentence it reads that the sale of shares took place on a regulated market.
Because the transaction carried out by the procura holder was related to the purchase of the Issuer's shares, the sentence should read as follows: Acquisition of shares took place on a regulated market.
