Topic:
Information on the public tender for the construction of the Invasion Medicine Centre (CMI) in Gdańsk
Legal basis: Article 56 section 1 item 1 of the Bid Law - confidential information

Content of report:

Today the Issuer was notified that the National Appeal Chamber has reject the appeals of two consortia involved in the above mentioned bidding. The Issuer has informed on 6.04.2009 in the Current Report No. 18/2009 that its tender has been selected as the best one and on 14.04.2009 in the Current Report No. 19/2009 that two protests against the conducting contract award procedures by the awarding entity has been entered.

At present, there are no more legal contraindications to sign a contract.

The appellants, whose appeals were dismissed by the National Appeal Chamber have right to appeal against a judgement in the Gdańsk District Court. This does not preclude a further bid procedure.

The tender price offered by the Issuer amounted to:
gross value of PLN 192,081,558.19, and
net value of PLN 157,443,900.15.
