PRESS RELEASE

29 July 2020

ERBUD is the contractor of the investment for the Military University of Aviation

ERBUD S.A. signed a contract with the Military University of Aviation to build a multifunctional building in Dęblin. The contract value is PLN 49.59 million net.

Completion of the works together with obtaining the building occupancy permit is scheduled for 30 July 2024. The building will be located on the campus of the Military University of Aviation at ul. Dywizjonu 303 in Dęblin.

This is the first contract executed by the ERBUD Group for the Military University of Aviation. The company carries out many investments for higher education institutions. In January 2020, ERBUD signed a contract with the Medical University of Łódź to build a new laboratory and research building – Brain. In October 2018, the company signed a contract for the construction of the Centre of Non-invasive Medicine for the Medical University of Gdańsk. In June 2018, ERBUD signed a contract with the Nicolaus Copernicus University in Toruń to build the Centre for Research and Conservation of Cultural Heritage.

***
