Content of report:

On 22 December 2010, Erbud SA brought to the Regional Court in Warsaw, XVI Commercial Division an action for payment against Bank Millennium S.A.
Value of the dispute: PLN 71,065,496.
The respondent: Bank Millennium S.A. in Warsaw.

In 2008, the Bank Millennium S.A. advised the Issuer (Erbud S.A.) concluding a transaction on currency options to protect euro-denominated contracts executed by the Issuer against an exchange rate risk. The Bank's offer resulted from the Issuer's need to adequate secure its situation.
The product was presented by the Bank as an instrument optimally adapted to the requirements of Erbud S.A. In the fourth quarter of 2008, as a result of the drastic depreciation of the Polish zloty against euro, the Bank Millennium S.A. reported to the Issuer a negative valuation of its exposure. At the same time, there arose a dispute as to content of the currency options transactions, primarily concerning exclusion of optional structures.

During many talks, the Issuer presented its position to the Bank, which required execution of the transaction, including action for compulsory execution of claims. In order to reduce the amount of potential loss, the disputed transactions were restructured, and the Bank has been informed about future legal action to compensate damage resulting from the transactions of currency options.
The restructuring details were announced by the Issuer in the Current Report No. 43/2008 of 21.11.2008, and in the financial statements for the year 2008. The Issuer has never agreed with the position of the Bank Millennium S.A. and therefore call the Bank twice to pay the amount of PLN 71,065,496, which consists of amounts collected by the Bank from the Issuer's bank account, lost benefits and legal and financial advisors fees. Accordingly, the Issuer has decided to enter a lawsuit for payment in order to compensate the damage suffered.
