ERBUD S.A. will construct the Lidl Distribution Centre in Stargard

ERBUD S.A. signed a construction contract to build the Distribution Centre for the Lidl retail network in Stargard on Metalowa Street. The contract value is PLN 195.5 million.

The distribution centre of the German discount chain of LIDL will be located in the Stargard Industrial Park of Modern Technologies. The Centre will take up almost 5 ha, on which, among others, the following facilities will be built: warehouse, workshop, administration and plant building, office and welfare rooms.

Completion of works is planned for August 2019.

At the new Lidl distribution centre will be stored food and industrial products. About 250 parking places for passenger cars and over 80 for trucks will be created around buildings.
